

VITAE

Matthew Edward Lambert, Ph.D.
2703 Random Court
Granbury, Texas 76049

Licensed Psychologist: State of Texas (#23743)
Licensed Psychologist: State of Idaho (#PSY-202896)
Registrant #4430, National Register of Health Service Psychologists

EDUCATION

Post Doctoral Fellowship 9/86-8/88
School of Medicine, University of Missouri-Columbia
at the Missouri Institute of Psychiatry
5400 Arsenal Street
St. Louis, Missouri 63139

Ph.D. Counseling Psychology 8/86
Department of Counseling Psychology and Counselor Education
University of Southern Mississippi
Southern Station 5012
Hattiesburg, Mississippi 39406-5012

Doctoral Dissertation:
"Latent Inhibition From Environmental Cue Preexposure On A Conditioned Aversion: An Analog Study" (Major Advisor: Dr. John D. Alcorn)

Internship:
Dallas Veterans Administration Medical Center
Psychology Service (116B)
4500 South Lancaster Road
Dallas, Texas 75216
(Royce Scrivner, Ph.D., Director of Internship Training)

Clinical Rotations:
Inpatient Psychiatry
Medical Psychology
Outpatient Drug Dependency Treatment Program
Psychological Services, Dallas Independent School District

M.A. Counseling Psychology 5/82
Department of Educational Psychology and Social Foundations
University of Nebraska-Lincoln
Lincoln, Nebraska 68588

Master's Thesis:

"The Effects of Self-Control Techniques in Differential Contact Groups on Study Behavior and Academic Performance." (Major Advisor: Dr. Robert W. Filbeck)

B.S. Psychology 12/79
University of Nebraska-Omaha
6001 Dodge Street
Omaha, NE 68182

INSTITUTIONAL AFFILIATION

Clinical Assistant Professor of Psychiatry (2001-2015)
Texas Tech University Health Sciences Center: Lubbock, Texas
Assistant Professor of Neurology (2013-2015)
Texas Tech University Health Sciences Center: Lubbock, Texas

HOSPITAL AFFILIATIONS

St. Mary of the Plains Hospital: Lubbock, Texas (1991-2005)
Methodist Hospital: Lubbock, Texas (1992-2005)
Covenant Health System: Lubbock, Texas (2005-2015)
University Medical Center: Lubbock, Texas (2010-2015)
St. Luke's Rehabilitation Hospital: Boise, Idaho (2015-2018)
St. Luke's Health System: Boise, Idaho (2015-2018)

PROFESSIONAL EXPERIENCE

October 1, 2018 to Present

Matthew E. Lambert, Ph.D.
2703 Random Court
Granbury, Texas 76049

Division of Worker's Compensation
Texas Department of Insurance
7551 Metro Carrier Drive, Suite 100
Austin, Texas 78744-1645

Position: Reviewer

Duties: . Provide accurate quality health care assessment and medical opinions without bias
. Assist in completion of annual Medical Quality Review Audit Plan as appropriate

September 8, 2015 to September 29, 2018

St. Luke's Rehabilitation Hospital
St. Luke's Health System
600 N Robbins Rd.
Boise, Idaho 83702

Position: Clinical Neuropsychologist

Duties: . Conduct neuropsychological evaluations of inpatients and outpatients at St. Luke's Rehabilitation Hospital
. Supervise psychometrist conducting neuropsychological evaluations
. Participate in treatment planning staffings
. Assist in development of an inpatient neuropsychology service for St. Luke's Health System

June 1, 2013 to August 31, 2015

F. Marie Hall Institute for Rural and Community Health
Texas Tech University Health Sciences Center
3601 4th Street, Mail Stop 6232
Lubbock, Texas 79430-6232

Position: Senior Director of Rural Health Research
Principal Investigator: Project FRONTIER
Principal Investigator/Project Director: Telemedicine Wellness Intervention and Triage Project
Principal Investigator/Project Director: Vision 21: Building State Technology Capacity
Co-Investigator: Texas Alzheimer's Research and Care Consortium

Duties: . Manages and directs the day to day operations of a research center/institute
. Principal Investigator: PROJECT FRONTIER (**F**acing **R**ural **O**bstacles to **h**ealthcare **N**ow **T**hrough **I**ntervention, **E**ducation & **R**esearch) to explore the natural course of chronic disease development and its impact on longitudinal cognitive, physical, social, and interpersonal functioning in a multi-racial adult sample from rural communities of West Texas
. Project Director: The TWITR Project (**T**elemedicine, **W**ellness, **I**ntervention, & **T**reatment), a pilot project grant funded by the Office of the Governor and is a proposed cooperative effort between the F. Marie Hall Institute for Rural and Community Health at TTUHSC and the secondary public school entities to provide behavioral and mental health care that will identify and obtain prompt responsive interventions for at-risk students, including students whose behavior requires intervention not currently available in public school. These efforts include screenings, diagnosis and

access to mental health professionals such as Psychiatrists and Licensed Professional Counselors

- . Plans, coordinates and supervises the operation and activities of the center/institute/department. Develops and implements policies and procedures, administers the budget, organizes tasks and sets priorities
- . Key senior advisor to the Vice President for Rural and Community Health/Director, F. Marie Hall Institute for Rural and Community Health in regards to rural/community research programs
- . On behalf of the TTUHSC Vice President for Rural and Community Health/Director, F. Marie Hall Institute for Rural and Community Health, supervises, develops and oversees budget development, develops and participates in the execution of scientific and academic research programming for the Institute
- . Develop and coordinate programs with a variety of academic and community partners; measure program effectiveness longitudinally
- . Ensures research program activities meet or exceed federal program guidelines
- . Participate in national and state initiatives to promote the Institute's national and statewide research programs
- . Supervise research program members and field research coordinators

August 1, 2003 to present

Texas Mutual Insurance
6210 Highway 290 East
Austin, Texas 78723

Position: Peer Reviewer

Duties: . Conduct worker's compensation peer reviews

September 1991 to March 2014

Matthew E. Lambert, Ph.D.
Neuropsychologist
4642 North Loop 289, Suite 215
Lubbock, Texas 79416

Function: Direct service provider in the independent practice of Neuropsychology and Psychology

Duties: . neuropsychological assessment of brain functioning related to neurodegenerative diseases, stroke, chronic diseases, traumatic brain injury, epilepsy management and pre-surgical planning including WADA testing, pre-surgical planning for Parkinson's disease, cerebral tumors, and psychological conditions presenting as cerebral dysfunction

- . psychodiagnostic assessments for differential diagnosis of chronic pain syndromes, mental disorders, learning disabilities, or personality disorders
- . outpatient assessment and treatment related to neuropsychological and psychological issues impacting medical diseases and disorders, chronic pain, physical and cognitive rehabilitation, and management of chronic illness

May 1, 2008 to March 2014; June 1, 2015 to August 31, 2015

Transitional Learning Center-Lubbock
Covenant Plaza
4000 22nd Place, 3rd Floor
Lubbock, Texas 79410

Position: Consulting Neuropsychologist

Duties: . neuropsychological evaluations of acquired brain injury patients for
rehabilitation planning and progress
. neuropsychological consultation to behavioral management committee

July 1, 2012 to June 30, 2013

Texas Alzheimer's Research and Care Consortium
Texas Tech University Health Sciences Center
3601 4th Street, Mail Stop 8321
Lubbock, Texas 79430-8321

Position: Research Neuropsychologist

Duties: . provide consensus diagnoses for multi-site, longitudinal, community-based
study of normal aging, minimal cognitive impairment, and Alzheimer's
Disease

September 1, 2012 to May 31, 2013

Project FRONTIER
Texas Tech University Health Sciences Center
3601 4th Street, Mail Stop 6232
Lubbock, Texas 79430-6232

Position: Research Neuropsychologist

Duties: . provide diagnoses of cognitive functioning for a study addressing the
interaction between cardiovascular risk factors and the development of
cognitive dysfunction, particularly Alzheimer's disease

April 1, 2006 to 2010

Concentra
5080 Spectrum Dr, Suite 1200W
Addison, TX 75001

Position: Preauthorization and Peer Reviewer

Duties: . conduct worker's compensation preauthorization reviews
. conduct worker's compensation peer reviews

April 1, 2006 to 2012

UniMed Direct LLC
5068 West Plano Parkway, Suite #122
Plano, TX 75093

Position: Preauthorization and Peer Reviewer

Duties: . conduct worker's compensation preauthorization reviews
. conduct worker's compensation peer reviews

January 1, 1994 to April 30, 2001

Neurology Research and Education Center
4102 24th Street, Suite 501
Lubbock, Texas 79410

Position: Research Neuropsychologist

Duties: . conduct research on neurological disorders
. conduct neuropsychological evaluations
. assist in research design
. provide educational and other support services

July 1, 1999 to 2003

AccessTech Program
Office of Dean of Students
Texas Tech University
West Broadway and University Avenue
Lubbock, Texas 79403

Position: Consultant

Duties: . evaluate applications of students seeking accommodations for various
learning, cognitive, and mental health disabilities

September 1988 to January 1992

Employer: Texas Tech University
Department of Psychology
Box 4100
Lubbock, Texas 79409-2051

Position: Assistant Professor

Duties: . teach 4-8 credit hour course load per semester
. supervise master's theses and doctoral dissertations
. maintain ongoing area of research and scholarly productivity
. participate on university and departmental committees

January 1987 to May 1988

Employer: Maryville College
13550 Conway Road
St. Louis, Missouri 63141

Position: Adjunct Professor

Duties: . teach 4-8 credit hour course load per semester
. academic advising as per course requirements

August 1983 to May 1986:

Employer: Department of Counseling Psychology
University of Southern Mississippi
Southern Station 5012
Hattiesburg, Mississippi 39406-5012

Position: Research/Teaching Assistant

Duties: . developed assessment instrument for psychological side-effects of cancer treatment
. provided psychological services to cancer patients

August 1982 to August 1983

Employer: Lincoln Lancaster Drug Projects, Inc.
2615 N Street
Lincoln, Nebraska 68510

Position : Therapeutic Coordinator

Duties: . administrator of a drug and alcohol treatment program for adolescents
. developed and implemented a drug and alcohol treatment program
. conducted individual, family and group counseling sessions
. supervised counselors
. provided educational seminars

November 1980 to August 1982

Employer: Lincoln Center for Families and Children
770 North Cotner Blvd.
Lincoln, Nebraska 68505

Position: Behavioral Consultant

Duties: . provided behavioral consultation to workshop for retarded adults
. reviewed programs and medication profiles for ethical standards
. developed and evaluated training programs for various human services and educational foundations
. developed computerized case simulations for medical education foundation

September 1981 to September 1982

Employer: Catholic Social Services Bureau
P.O. Box 2723
Lincoln, Nebraska 68502

Position: Counselor

Duties: . provided counseling services to couples, individuals, and families
. provided consultation services at a parochial high school

August 1980 to May 1982

Employer: Educational Learning Center
Department of Multicultural Affairs
University of Nebraska-Lincoln
Lincoln, Nebraska 68588

Position: Graduate Assistant

Duties: . developed and presented programs to
students for study skills improvement

January 1980 to June 1980

Employer: Richard Young Memorial Hospital
26th & Harney Street
Omaha, Nebraska 68131

Position: Psychiatric Technician in the Child/Adolescent Outpatient Program

January 1978 to January 1980

Employer: Nebraska Psychiatric Institute
605 South 45th Street
Omaha, Nebraska 68106

Position: Psychiatric Technician

February 1977 to November 1977

Employer: Boys Town Center for the Study of Youth
Development
Boys Town, Nebraska 68010

Position: Research Assistant on a project titled: "Social Learning and Alcohol and Drug
Abuse Among Adolescents"

PROFESSIONAL ORGANIZATIONS, SERVICE ACTIVITIES, AND HONORS

National Academy of Neuropsychology--Current Member

Texas Tech Ex-Students Association New Faculty Award 1991

Ad hoc reviewer: Computers in Human Behavior

Ad hoc reviewer: Journal of Counseling and Development

Ad hoc reviewer: Journal of Kidney Disease

Software Reviewer: Counseling Software Review Board, Media Committee of the American Association of Counseling and Development

Software Reviewer: Behavioral Assessment

Software Reviewer: Journal of Personality Assessment

Software Reviewer: Measurement and Evaluation in Counseling and Development

Software Beta Testing: SPSS, INC.

Selection Judge, CORO Foundation Internship Program, 1987

Doctoral Admissions Committee, University of Southern Mississippi--Student Representative, 1984

Lincoln-Lancaster Council on Drug Abuse, Lincoln, Nebraska, 1982-83

Co-President Graduate Student Organization, Department of Educational Psychology and Social Foundations, University of Nebraska-Lincoln, 1981-82
